Shri ram nagar , Chh. Sambhajinagar

Enthusiastic and dedicated **Computer Science student** seeking a role in **App Development** . Skilled in **iOS** development, **React Native**, and **Flutter** , with proficiency in multiple programming languages . Passionate about contributing to innovative projects and committed to continuous learning and professional growth in the field.

SKILLS

XCode	Postman	Swift	Unity	GitHub	Flutter	AI (Exploring)
Figma	React Native (Exploring)	Javascript	C	Android Studio	Dart	ML (Exploring)

WORK EXPERIENCE

CYBERSECURITY and AWS Cloud Testing - XPro

Feb 2025 - Apr 2025

- Conducted vulnerability assessments and security configurations to strengthen AWS cloud security.
- Performed AWS cloud testing to evaluate security measures and ensure compliance with industry standards.
- Collaborated in an Agile team environment, gaining hands-on experience in project management and security strategy development.

iOS App Developer Intern–Ekatta Innovators LLP (6-Month Internship)

Dec 2024 - Mar 2025

- Developed and optimized iOS applications using Swift and Xcode, ensuring high performance and smooth user experience.
- Designed intuitive, user-friendly interfaces, following Apple's guidelines for seamless navigation and accessibility.
- Integrated APIs and secure authentication methods, enhancing app functionality and data protection.

PROJECT EXPERIENCE

FlashChat - Real-Time Chat App (iOS)

A real-time messaging app with secure login, encrypted chats, and instant message delivery for seamless communication.

Clima - Weather App (iOS)

A weather forecasting app that provides real-time weather updates, fast location-based searches, and automatic dark/light mode adjustment.

FitTrack - Fitness Tracker App (React Native)

A cross-platform fitness app that helps users track workouts, steps, and calories with an intuitive interface and personalized progress insights.

EDUCATION

B.Tech in Computer Science and Engineering

2022–2026 (Expected)

- at Jawaharlal Nehru Engineering College

HSC in PCM

2019–2022

- at Deogiri College

ADDITIONAL INFORMATION

- Languages:** English, Hindi, Marathi.
- Certifications:** Swift and iOS App Development, SwiftUI Masterclass, React Native Masterclass.

VOLUNTEER EXPERIENCE

- Advanced C Workshop** - Taught C programming language to the students of 2nd year CSE Department.
- Web Development Contest** - Coordinator from CSE Department.
- High Performance CUDA Programming Workshop** - Volunteered in assisting participants, and helping around.
